The Island County Accessible Communities Committee received grant funding for

Ferry Medical Disability Pass Decals & Magnets.

These decals and magnets are for preferential medical pass users. To help alleviate confusion as to why some drivers drive straight to the toll booth, "cutting" the line. Driver must show their preferential medical pass provided by Washington State Ferries and State Issued ID at toll booth. The decals & magnets do not replace or substitute the medical pass. If you would like a decal/magnet, email us your snail mail address. t.wheeler-thompson@islandcountywa.gov

The Big Red Box is Free

The National Autism Association is committed to those with an Autism Spectrum Disorder (ASD) who may be prone to wandering off or eloping from a safe environment, and may be unable to recognize danger and/or stay safe. Wandering, elopement, "running" or fleeing behaviors among those within our community not only present unique safety risks, but also create extraordinary worry and stress among caregivers. Drowning fatalities following wandering incidents remain a leading cause of death among those with ASD. As such, the National Autism Association provides direct assistance to caregivers, educators and first responders. The **Big Red Safety Box** is a free-of-charge toolkit given to autism families in need as a means to educate, raise

awareness and provide simple tools that may assist them in preventing, and responding to, wandering-related emergencies. <https://nationalautismassociation.org/big-red-safety-box/>

Life Span Respite

What is a Lifespan Respite Voucher?

Lifespan Respite WA offers support in the form of a **voucher (financial award)** for unpaid caregivers who support a family member, friend, or neighbor who has a special need or condition. The voucher is used to pay for services or programs that allow the caregiver to have respite, or "short breaks". Lifespan Respite vouchers are for short-term respite. About the Voucher How much is a voucher award? The usual amount of a voucher is **\$1,000 per household, per year** (a year begins when you apply, and ends one year from that date). If you apply for respite for more than one person, the award will be divided among them. <https://www.lifespanrespitewa.org/voucher-program/> You can contact us with any questions or for help applying at getrespite@wapave.org or by calling 253-442-3214.

“**Talking Books**” is a free service from the Library of Congress <https://www.loc.gov/nls/> that provides audiobooks and audio equipment to individuals who are visually impaired or have a disability that prevents them from using regular print materials. Through this program, The National Library Service for the Blind and Physically Handicapped produces audiobooks and magazines for children and adults whose physical disabilities or visual impairments makes them unable to hold a book, turn the pages, or read regular print. The National Federation of the Blind <https://nfb.org/> also offers a free online reading service for books, magazines, and newspapers.

The Washington Assistive Technology Act Program (WATAP) provides resources and services to persons who face challenges related to disability and aging to help in the selection and use of assistive technology, also known as AT. AT helps make tasks easier or possible in school, at work, at home, and in the community. WATAP serves seniors and persons with disabilities, and their circle of support, including family members, caregivers, employers, service provider professionals, educators, and others seeking AT expertise. <https://watap.org/>

What is Assistive Technology

Assistive technology is any product or service that makes tasks easier or possible. Find resources and learn more about tools to help people live, work, and play independently.

How Can WATAP Help?
