Secure Your Load For Safer Roads....

It's The Law!

What is an unsecured load?

An unsecured load is anything in transit that has not been fastened or attached to the vehicle. Tarps, rope, straps, netting, chains, and/or cargo bars may be used to prevent any part of the load or the covering from becoming loose, detached, or leaving the vehicle while it is moving.

How to secure your load:

- **Tie down.** Use rope, bungee cords, netting or straps. Tie larger items directly to your vehicle.
- **Lighter goes lower.** Put lighter items at the bottom of the load, and weigh them down so they don't blow out.
- **Don't overload.** Keep material level with truck bed or trailer if at all possible.

- **Double-check.** Always double-check your load. Ask yourself, "Would I feel safe driving behind my vehicle? If the answer is, "No," then you need to do a better job of securing your load.

Did You Know?

- In 2024 unsecured loads were responsible for 337 crashes and 32 injuries in Washington.
- Ecology and WSDOT collected more than 6.4 million pounds of litter in 2024, which is only a fraction of the 26 million pounds accumulating along roadways each year. Nearly 40% of that litter comes from items falling or blowing out of vehicles.
- Fines for failing to secure a load range from \$50 to \$5,000, with higher penalties for any incidents that result in injury or property damage. Criminal charges may apply in serious cases.

Descriptions & Information

Appliances:

Include washers, dryers, metal dishwashers, water heaters, freezers, refrigerators, air conditioners, wine and water coolers.

Construction/Demo/Bulky:

Includes wood/lumber, wood shingles, windows, insulation, carpet, toilets, tubs, cabinets, and bulky items such as furniture.

E-cycle:

TV's, computers, monitors, laptops, tablets & eReaders are accepted free, see an attendant before unloading.

Hazardous Waste, Business:

Accepted by appointment only, please call 360-678-8215.

Hazardous Waste, Household:

Household hazardous waste is accepted free of charge. Includes: Batteries, motor oil, oil-bases paints, antifreeze, gasoline, fertilizers, pesticides, acids, bases, fluorescent bulbs, lead, PBC ballasts, propane tanks, mercury devices, etc. Notify an attendant if you have household hazardous waste.

Municipal Solid Waste (MSW):

Regular household garbage, includes scrap sheet rock and 3-tab shingles.

Oversized, Hard to Handle:

Items that are over 6 feet such as mattresses, lumber, couches, trailers, boats, etc. Call 360-679-7387 in advance to arrange disposal of campers, trailers or boats. A title is required.

Yard Waste:

Yard waste is only accepted at the Coupeville Transfer Station and includes grass clippings, brush, and trees branches. No dirt, sod, or rock.

Bayview and North Whidbey Solid Waste & Recycle Centers Restrictions....

These two locations accept extremely limited amounts of construction debris, metal, & yard waste. They cannot accept appliances or items greater than 4 feet. Attendants will direct customers with these materials to the Coupeville Transfer Station or recommend other appropriate disposal options.
