**Scatchet Head Sewer District**  
**Initial Commissioner Terms**  
RCW 57.12.030, RCW 29A.60.221

The election for the three initial commissioners of the Scatchet Head Sewer District, having been on the same ballot as the question of district formation, have each received the same number of votes. A hand count of the ballots confirmed the vote count.

The vote count for each commissioner determines the initial term of office. Staggering of terms of office being required by statute, the person receiving the greatest number of votes shall be elected to a six year term, the next greatest number of votes shall be elected to a four year term and the third commissioner is elected to a two year term.

As a result of the three-way tie, per general election laws, a lot draw was conducted to determine the length of the term of office for each of the three commissioners.

The results of the lot draw are as follows:

Commissioner, Position 1	Michael Freal	<u>4</u> Years
Commissioner, Position 2	Donald Arthur Bowman	<u>2</u> Years
Commissioner, Position 3	Jerome Wager	<u>6</u> Years
